

# COLOURS. for every occasion

Trust us: your lips are going to absolutely love the new Mary Kay Gel Semi-Matte Lipstick.

## BASHFUL YOU

A beautiful shade of nude that subtly enhances! Like its name, this shade is perfect for days when you're looking to keep things short and sweet.

**Perfect for:** A brunch date or business meeting.

## POWERFUL PINK

You can never have enough pink – especially when it's this pretty! Not for the faint-hearted, Powerful Pink is for ladies who want to wear it loud and proud.

**Perfect for:** A girls' night out or a celebration.

## CRUSHED BERRY

A dark shade of maroon, we love Crushed Berry because it's seductive and edgy at the same time. Get ready to unleash your inner vixen with this bold colour.

**Perfect for:** A black-tie event or rock concert.

## POPPY PLEASE

To us, Poppy Please sends the message loud and clear: girls just wanna have fun (and look good doing it)! It's a bright shade of orange that is as youthful as it is daring.

**Perfect for:** A day at the beach or high tea with the girls.

Mary Kay's latest offering ticks all the boxes: long-lasting, full-coverage and to-die-for colours! Not to mention it glides on smoothly, and leaves lips feeling soft and supple. The advanced Cushion Matrix Technology utilises ultrafine silica microspheres, enabling colours to last longer. Sunflower oil and jojoba esters help condition lips for a smooth finish. Available in eight colours that stay true from sunrise to sunset, you'll always have the right shade of lipstick, whatever the occasion.

**MARY KAY GEL SEMI-MATTE LIPSTICKS ARE PRICED AT RM55 EACH.**
