

BEST WHITENING SERUM FOR SMOOTH SKIN

MARY KAY

MELACEP PLUS+ ULTIMATE SERUM, RM350.

Banish dark spots, prevent pigmentation and smoothen skin with this baby!

One formula suits all! Clinically tested for skin allergies.

Dark spots? Untouchable skin? Let the pros take care of it – introducing Mary Kay’s latest whitening serum. Not only does it tackle pesky pigmentation, it also gives you super smooth skin he’ll want to stroke all the time.

Starring Edelweiss, a strong little plant that survives harsh weather conditions. Its extract combats excess melanin on your skin, leaving behind a really luminous, glowing and healthy complexion.

MARY KAY®

For A Brightening Boost ...

Mary Kay Ultimate Cream, RM180. Perfect for those with dry skin, this rich cream will give you an extra layer of protection you can use day and night. A thin layer is enough to leave your skin feeling hydrated – with the added bonus of a radiant glow, too!
