SHRINK AND REFINE

There's no need to hide behind layers of foundation. This serum minimises the appearance of visible pores, in addition to comforting your skin and reducing redness. Oil-free and with concentrated amounts of natural plant extracts, it works on all skin types and skin tones. For best results, first clear pores of build-up and remove dead skin cells with an exfoliator.

KEY INGREDIENTS

Persian silk tree bark extract and soya bean extract.

PAIR IT WITH

TimeWise Microdermabrasion Refine
